WEATHER FOR AUGUST.—Prof. Wm.
T. Foster, of St. Joseph, Mo., predicts
an unusually cold, chilly month. His
predictions, it is said, seldom fail. He
says:

"Unusual weather may be expected
this month; unusual in many respects.
Killing frosts will occur in portions of
the northern States.

These frosts will probably occur at
two periods in this month with an inter-
val of two weeks. Of course extensive
frosts are not expected in this mid sum-
mer month.

These frost dates will come with the
cool waves expected to cross the contin-
ent from the 6th to 10th and 18th to
the 22d.

The temperature will average above
on the Pacific Slope, below in the great
central valleys and about normal on the
Atlantic coast. The lowest average
temperature will be in the Ohio, Mis-
souri and upper Mississippi valleys and
the upper lake country.

The cool weather will probably re-
tard the corn crop so that late corn will
be injured by the general killing frosts
about the middle of September in the
northern corn belt.

Cold waves seldom occur this month
but in a limited part of the upper Mis-
souri and upper Mississippi valleys the
sudden change not far from the 20th
will almost amount to a cold wave. To
constitute a cold wave the temperature
must fall as much as 20 degrees in 24
hours, causing a freeze or frost, and in
this case would require a fall from
about 60 to 40 degrees. Frosts some-
times occur at 40 degrees.

Rainfall this month will not be far
from the general average. Deficiencies
will occur on the Atlantic coast from
New York and Charleston south. Be-
tween these two points rainfall will be
about normal.

THE FALL OF A PRIEST.—John E.
Reilly, an ex-Catholic priest, was com-
mitted to the House of Correction for
two months yesterday morning on a
charge of being a vagrant without visible
means of support. Clad almost in
rags and with his face unshaven the ex-
priest stood before Justice Murray and
pleaded for his liberty, promising to
drinking stop and leave the city. Justice
Murray said he sent him to the House
of Correction to get him a place for rest
and reflection. Reilly has figured in
police courts in Baltimore before. He
was arrested in the Northwestern Dis-
trict about two years ago, charged with
obtaining money under false pretenses.
He was accused of visiting a number of
persons and representing himself to be
collecting money to build a Catholic school.
He was dressed in the garb of a
priest and his well-told story and
ready tongue soon won him friends,
who contributed to his scheme. The
charge against him was not pressed and
he was allowed to leave the city. He
recently reappeared in Baltimore, and
when he went to his old haunts in the
"Space" he was readily recognized by
Sergeant Gilbert. Reilly was formerly
connected with a Catholic church in
North Carolina, but his weakness for
drink caused him to leave the State. He
is 44 years old and well-educated.—

MOSS NECK.—Count G. d'Adhemar
de Cransac, accompanied by his wife
and son, Count R. d'Adhemar, and
Capt. R. de Cresse, late of the French
army, arrived in Fredericksburg Wed-
nesday night by steamer Westmore-
land from Baltimore. As previously
stated in the Free Lance, the Count has
leased the handsome estate, "Moss
Neck," on the Rappahannock river, in
Caroline county, from its owner, Jas.
P. Corbin, of Fredericksburg. The
family with horses and carriages went
to Moss Neck yesterday, and the fur-
niture will be unloaded from the cars
and sent down to-day. We extend to
the Count and his family a hearty wel-
come amongst us, and believe they will
be a great addition to the society of
Virginia.—Fredericksburg Lance.

"I know an old soldier who had
chronic diarrhoea of long standing to
have been permanently cured by tak-
ing Chamberlain's Colic, Cholera and
Diarrhoea Remedy," says Edward
Shumpik, a prominent druggist of Min-
neapolis, Minn. "I have sold the re-
medy in this city for over seven years
and consider it superior to any other
medicine now on the market for bowel
complaints." 25 and 50 cent bottles of
this remedy for sale by L. Stabler & Co.

FOR OVER FIFTY YEARS.
AN OLD AND WELL-TRIED REMEDY.—Mrs.
Winslow's Soothing Syrup has been used
for over fifty years by millions of mothers
for their children while teething, with perfect
success. It soothes the child, softens the gums,
allays all pain, cures wind colic, and is the
best remedy for Diarrhoea. Is pleasant to
the taste. Sold by Druggists in every part of
the world. Twenty-five cents a bottle. Its value
is incalculable. Be sure and ask for Mrs. Win-
sloe's Soothing Syrup and take no other kind.

you do, and have been made
